

**BOB RAHN AND KIM ANKLIN
INVESTIGATORS OF THE YEAR**

**HONOR
MRS. PATRICIA FLEMING**

For over 24 years Mrs. Fleming faithfully believed she would one day be reunited with her son. On April 8, 2014 Jonathan Fleming was exonerated and held in Mrs. Fleming's arms.

We would not have earned this award had it not been for the confidence Mrs. Fleming placed in us to free her son, her only child from his wrongful incarceration.

We will continue to dedicate our efforts to those wrongfully convicted and never forget innocent people desperately need a voice. In every case her voice will be in our hearts. For this extraordinary experience we honor Mrs. Fleming.

"Bob and Kim did it! They're bringing my baby home!".....Patricia Fleming
